Coordinators and Board Members Needed

There is change at both the Board and Coordinator Roles for the 2026-2027

Leaving the Board:

Treasurer - Dianne Bowen
Director - Clint Challand

Coordinator Change

Sturling - Joyce Donald (successor is being sought)

I am grateful for the time each of our members has given to the Club over the years and the insight and help of each of you has made our Club better. You will be missed.

With Dianne's departure in the role of Treasurer, the Board created a Nominating Committee to recruit for the role of Treasurer as the position does require knowledge of accounting. At the upcoming AGM, the Board will make a recommendation of Jackie Kraychy for the position of Treasurer.

GoldLine Pop-Up Store

Goldline will once again be at our Club to assist with your purchase of new curling equipment. A portion of your purchase is returned to the Club so that we may purchase curling equipment for all members to utilize.

Date: Thursday November 12, 2026 12:30 - 6:30 PM

As a reminder, it is recommended that grippers be changed out every 2-3 years to eliminate the dropping of rubber fibres on the ice surface. Thank you for your support.

See you on the ice soon!
